WASHINGTON, DC

ORDER NO. 9684

IN THE MATTER OF:

Served June 23, 2006

Application of VERONICA HEGENS for)
a Certificate of Authority --)
Irregular Route Operations)

Case No. AP-2006-046

This application was filed on March 20, 2006, without a copy of applicant's driver's license attached as Exhibit C. Accordingly, the initial order in this proceeding, Order No. 9446, served March 31, directed applicant to file an Exhibit C.

Applicant subsequently filed a copy of her Virginia driver's license, but the last name on the driver's license does not match the last name on this application. According to the driver's license, applicant's last name is Hegens-Wilson. To make matters worse, applicant recently identified herself as Ms. Hegens-Nelson in a related but separate filing.

Applicant will be directed to explain this discrepancy. Applicant also will be directed to explain why her vehicle is registered in Maryland even though her driver's license indicates she has resided in Virginia since at least October 30, 2001.

THEREFORE, IT IS ORDERED:

1. That applicant shall file with the Commission, no later than July 7, 2006, an affidavit explaining why applicant has used three separate last names during the course of this proceeding.

2. That applicant shall file with the Commission, no later than July 7, 2006, an affidavit explaining why applicant's vehicle is registered in Maryland even though applicant has resided in Virginia since 2001.
